# Roll & Read Tongue Twisters!

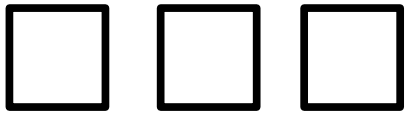

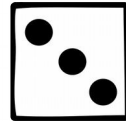

She sells  
seashells  
down by  
the  
seashore.

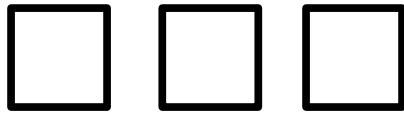

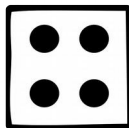

How can  
a clam  
cram in a  
clean  
cream  
can?

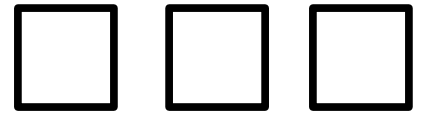

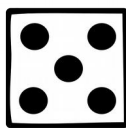

I saw a  
kitten  
eating  
chicken in  
the  
kitchen.

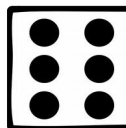

Bitty  
black  
bugs bite  
big black  
bears

Please  
plant  
trees that  
can freeze  
in the  
breeze.

Sherman's  
silly snail  
was sick  
in his shell  
since he  
was six.

# Directions

Play alone or with a partner!

Roll a die. Read the tongue twister once or twice (or even three times!)

Then color in one of the squares above the tongue twister.

Keep rolling and reading until you've colored all the squares.

For more fun, play with a partner. Use a different color than your partner to color the squares!

Hint: This fluency game pairs well with Fox in Sox for Read Across America Day/Week!
